Dear Hal,

I know I'm a little late but you can see what goes on down here.

Here is a copy of Charles Steer's rap sheet - there is no photo on him. Also a photo + rap sheet on Marie Steer

There is no record on Claude Cockrell, Carl or Carl Bishop, Johnny Bishop, Johnny McNamara, Frank Libertos.

I'm trying to gather some info on Lou Davis for you - it will take some time.

Hope you & your family enjoyed your Christmas + will enjoy New Years - you ought to take a few days off from your work + relax

Lou
